DISCLOSURE TO VIATICAL SETTLEMENT APPLICANT

With each application for a viatical settlement, a viatical settlement provider or viatical settlement broker shall provide the viator with at least the following disclosures by the date of application for a viatical settlement contract.

You should carefully read the following points and seek financial, insurance, tax and other advice where appropriate.

The owner of the life insurance policy, the viator, should be aware of the following:

- 1. That there are possible alternatives to viatical settlement contracts for persons who have a catastrophic or life-threatening illness including, but not limited to, accelerated benefits offered by the issuer of a life insurance policy.
- 2. That proceeds of the viatical settlement could be taxable, and assistance should be sought from a personal tax advisor.
- 3. That viatical settlement proceeds could be subject to the claims of creditors.
- 4. That receipt of viatical settlement proceeds could adversely affect the recipient's eligibility for Medicaid or other government benefits or entitlements and advice should be obtained from the appropriate agencies.
- 5. That all viatical settlement contracts entered into in Florida must contain an unconditional rescission provision which allows the viator to rescind the contract within 15 days after the viator receives the viatical settlement proceeds, conditioned on the return of such proceeds.
- 6. The viatical settlement provider company, not the viator, may compensate LIS based on a formula that is a percentage of the face value of the life insurance policy. For example, compensation for a \$100,000 policy could be: 8% x \$100,000 (face value) = \$8,000.00.
- 7. The viator has the right to obtain the name, business address, and telephone number of the independent third-party escrow agent and the viator may inspect or receive copies of the relevant escrow agreement.
- 8. That the viator has the right to know, upon request, the identity of any person who will receive or has received a commission or other form of compensation from the viatical settlement provider with respect to their viatical settlement and the amount and terms of such compensation.
